Trying My Best

By: Giovanni Sassano

Fifteen years of Catholic schools,
and I still don't know who Jesus is.
Sorry Mom and Dad.
I have eaten every meal with a silver spoon.
I have walked through life at a city-worker's pace,
hoping to drive a Bentley
through the pearly gates.
The address on my fake ID
is a \$20 million penthouse
in Miami. I say,
if you're going to have a fake life,
at least make it awesome.
I have a tough time deciding
what to name my island.
I have never finished a book.
Wikipedia is my best friend.
I am competing for the least creative person
in my creative writing class.
I have absolutely no idea
what I am doing.
I have been this way for years.
